

Notice about taking the entrance examination in the current situation

To prevent COVID-19 virus infection and spreading, please take notice of the following things.

1. After sending the application, the person who corresponds to any of the following on the list, needs to call our school and will be prevented from taking the examination.

- Those with a suspected case of the COVID-19 virus
- Those who were requested to do self-quarantine as "a close contact" from health center
- Those who have symptoms like cough and fever etc. And those not feeling very well.

※Contact us about supplementary examination when the result of Corona test is negative.

※Make an effort to prevent infection and manage your conditions and surrounding (e.g. washing hands, gargling, avoiding crowded place etc..)

2. Notice about the examination day

- Measure your own temperature at home and contact us either if the temperature is not as expected or you are not feeling very well. (NIPPON Omotenashi college : 027-210-6868)
- We'll measure your temperature before the test. If the result of measurement is not as expected, you may not be able to take examination.
- Disinfect your hands and fingers with hand sanitizer in the examination site frequently.
- Wear a mask on the day of examination unless you're requested not to wear it.
- We'll keep windows and doors open for ventilation, so come with comfortable clothes.
- In order not to make the site crowded, pay attention to keeping distance.
- Please do not whisper in the site(including break time).

Because of the unusual situation, the exam location may change and the exam itself may be canceled or postponed. Check the newest information on our HP regularly.
